Important Information:

Please note that Membership approval is not "automatic". Upon receipt of your application, The Ship's Company Board of Directors will review and advise you as to next steps. If a new Membership opportunity is available, this will typically involve taking you for a complimentary sail, (or if in the off-season, a tour of our Boatshop) to learn more about our organization and the operation of the vessels. From there, Membership may be encouraged, and at that time, your Membership fee will be requested.

Annual Membership runs from March to March. Membership fees are not pro-rated and are non-refundable. Membership renewals are due at the end of March for any given calendar year.

Membership fees are reviewed annually by The Ship's Company Board of Directors and may be subject to change prior to the start of a new Membership year. Members will be notified in advance of any changes prior to the renewal date.
